MOŠITO ACADEMY is a non-profit organization established in 2017 with only 30 learners as a result of poor performance in Science and Commercial stream throughout the province. Our objective is to elevate the standard of teaching and quality results. Our stream objective is to elevate the standard of teaching and quality results. We are based at Moshate in Moshupya Primary School.

**WE OFFER THE FOLLOWING:**

- ❖ Matric Upgrading (Amended/MEO&Supplementary)
- ❖ Saturday & Sunday Classes
- ❖ Easter Class Camp
- ❖ Winter School Camp
- ❖ Spring School Camp

**ADDED VALUE SERVICES:**

- ❖ Career guidance
- ❖ One-on-one consultation
- ❖ Online application for universities and financial institutions
- ❖ Career exhibitions
- ❖ Edu-tainment

We offer youth and elder people an opportunity to better their lives educationally with our services. We provide a wide range of affordable and accessible matric re- write second chance that empowers learners without compromising on quality. Mošito Academy empowers you with matric qualification to access university, ignite a successful career and maintain consistent empowerment.

We started with the following subjects on our first encounter: Mathematics, Physical Sciences, Accounting, Maths Lit, Life Sciences, Geography, Economics, B.Studies, English, Agricultural Sciences and Sepedi. With the increasing enrollment and the demand of other subjects; three more subjects were added namely: English HL & Tourism.

Mošito Academy has accepted the challenge to lead in Science and Commerce around the Waterberg District. It is our desire to give learners quality education, be relevant to the demand of time and achieve our vision of a transformed society where we are operating.

To maximize the utilization of information through communication technology, we have created “E-LEARNING PROGRAM ZOOM” based learning program serving all subjects in our school. It is a network of services to create, deliver and facilitate learning-teaching process whether inside or outside the traditional classrooms.
